

VAT Management Programme
& Helpline Service for
the Third Sector

Centurion
VAT SPECIALISTS 

VAT is a complex tax and as the Third Sector expands its range of activities and collaborations, the need to proactively manage VAT becomes ever more important. Resolve your VAT concerns with help from Centurion VAT Specialists. We offer a VAT Management Programme, a Helpline Service and tailored reviews to make sure you keep VAT compliance on track in your organisation and maximise your VAT recovery on costs.

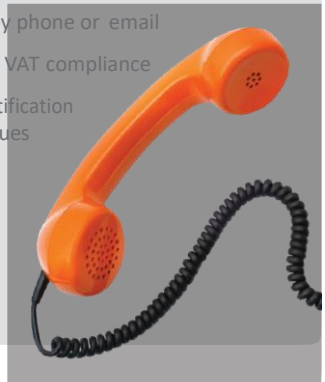

VAT Support Service for the Third Sector

- VAT Registration Reviews
- VAT Liability of Revenue Generation: Grants and Contracts
- Maximising VAT Reliefs on costs
- Property Projects: VAT planning reviews
- Collaboration and Shared Service Reviews
- VAT management of lottery and grant applications
- VAT Awareness Training for staff

VAT Helpline

Instant access to specialist advice:

- Dedicated friendly team
- Support by phone or email
- Improved VAT compliance
- Early identification of VAT issues

Who will benefit from the service?

Charities, public bodies and not for profit bodies who don't have a dedicated VAT resource in house.

What will this service cost?

Flexibility is everything as it's tailored to the level of your needs.

Why use Centurion?

Centurion has an award-winning team of six senior VAT specialists with offices in Wales and The South West. With a collective VAT experience of over 160 years, we cater for the needs of a wide spectrum of businesses, local authorities, charities and the education sector.
